

LAKESHORE LIGHT

Lakeshore DECA students "Dress for Success" day.

Join us in engaging the minds, spirits and talents of our students and teachers. Help us build a workforce ready to meet the challenges of both today and tomorrow. STEM is our next big project, and we are counting on your support.

Read the LEF insert in this newsletter for more information.

Grounded in Tradition – Committed to Excellence

Message from the Superintendent

Superintendent
Phil Freeman

We are anticipating another outstanding year in Lakeshore as we prepare to open the 2017-18 school year.

Grounded in Tradition and Committed to Excellence, the outstanding staff in Lakeshore continue to work hard to deliver an engaging and inspiring education to our students in state-of-the-art facilities.

Last school year, we implemented five new programs to support these efforts.

Programs Implemented:

- *Young Five's*
- *Early Middle College*
- *Project Lead the Way* (STEM education) at the middle school (grades 6 and 7)
- *Machine Tooling and Teacher Cadets* (CTE)
- *AP Macro-Economics*

Each of these programs proved to be highly successful in supporting our students as they research and discover pathways on their journey to success. But we will not rest on our laurels.

For the second summer in a row, several Lakeshore teachers attended *Project Lead the Way* training as we expand our STEM offerings in the middle school

(to include 8th grade) and at the high school with new pathways in *Engineering and Computer Sciences*. Lakeshore High School will also implement a *Certified Nurse's*

Assistant (CNA) program to supplement our already broad spectrum of CTE courses. Enhanced reading support will be implemented at the elementary and middle school this fall, as well. As part of a three-year journey toward expanded and improved reading programs, several teachers attended the prestigious *Teacher's*

We are grateful for the financial support of the **LAKESHORE EXCELLENCE FOUNDATION** and for the efforts of the LEF all-volunteer board.

June 11, 2018

*The January meeting will be held on the fourth Monday due to Winter Recess and Martin Luther King, Jr. Day

**The April meeting will be held on the third Monday due to Spring Recess.

SUPERINTENDENT'S MESSAGE CONTINUED ...

College Summer Institutes in New York where they spent a week learning about the reading and writing workshop method of instruction with experts and educators from all over the world. Lakeshore will be implementing a daily 30-minute intervention/enrichment block of time in all three elementary schools during the school day so students and teachers can work in smaller groups to increase reading achievement based on individual needs. Similarly, our 6th and 7th grade students are scheduled for an "additional reading class" as part of their day where the focus will be on choice reading and strategies to help middle school kids become more motivated and avid readers.

The mission of Lakeshore Public Schools, in partnership with families and the

community, is to guide students toward achieving educational excellence by engaging, inspiring and empowering them to think, learn and pursue their individual passions with knowledge, confidence and integrity – the foundation of their future.

With our continual drive to improve programs that put our children on this path, we assure that Lakeshore Public Schools continues to hold its place among the best school districts in the state. None of this would be possible without an outstanding and committed staff that work year round to develop these programs along with the generous support of the community in the form of volunteering, supporting bonds and donating to the Lakeshore Excellence Foundation (LEF).

Thank you for all you do to make this possible.

Lakeshore Public Schools continues to hold its place among the best school districts in the state.

Raymond James Johnson Distinguished Educator Award

Amy Deloria, 1st grade Hollywood Elementary teacher

Lynn Grunert, LMS Assistant Principal

Since 1972, Lakeshore Public Schools has recognized up to two certified professional staff members a year, by awarding the *Raymond James Johnson Distinguished Educator Award*. The award is presented to Lakeshore professional educators whose services are judged to be of exceptional excellence in keeping with the highest traditions of professional education. This year's awards were given to **Amy Deloria** a first grade Hollywood Elementary teacher and **Lynn Grunert** the Lakeshore Middle School Assistant Principal. Congratulations to these dedicated educators.

The 8TH Annual Adam Tilly Memorial Golf Outing

Lindsay Zavoral

On June 10 golfers gathered for an exceptional day at Lake Michigan Hills to play in memory of a former teammate, classmate, friend and son, Adam Tilly.

Adam was a 2001 Lakeshore High School graduate.

He was a strong athlete, starting for some great Lancer football squads. He threw shot-put and discus (and occasionally ran 400's) and was team captain for a track team that won state. He excelled in the classroom and served two years on student council. Adam was a great individual on and off the field—a selfless teammate who ALWAYS put the team's objectives above and beyond personal accolades.

In April 2005, he graduated from *Michigan Technological University* with a Bachelor of Science in Civil Engineering.

Adam was a recipient of the prestigious *Thompson Scholarship*, which is awarded to outstanding students in the university's civil engineering program. After graduation, he accepted a civil engineering position with *Pearson Construction Co.*

Sadly in July of 2006, Adam's life was cut way too short by Melanoma cancer. In memory of Adam, Hans Koppenhoefer has organized this yearly golf outing for the past eight summers. Overwhelming support of this event is received from former teammates, friends, teachers, coaches, community leaders and family.

This once small outing among friends has grown into much more.

A 501(c)(3) non-profit organization, *AT53 Inc.* was founded in Adam's memory to award a yearly scholarship to an outstanding graduating Lakeshore High School senior.

AT53 Inc. has proudly awarded \$6500.00 in scholarships in the past four years. This year's recipient, **Lindsay Zavoral** will be attending *Grand Valley State University* in the fall to study occupational therapy. Lindsay represents the hardworking and compassionate traits of Adam Tilly. Best of Luck Lindsay!

Adam is also remembered by his family's gift to the football program, a storage building on the side of the Lancer stadium. The building with the #53, Adam's three-year varsity football number!

AT53 Inc. wishes to extend a special thank you to our generous hole sponsors, donors, volunteers, community leaders, families and friends. We are grateful for your support, and proud to represent such a fine young man. We could not do this without you!

The Board of AT53 Inc. --

Jeff Dock, Hans Koppenhoefer, Brett Schlender, Chris Tilly, David Machemer, and Brandon Cerecke

Overwhelming support of this event is received from former teammates, friends, teachers, coaches, community leaders and family.

Upcoming Events

August 24, 8 A.M. - 1 P.M.

Lancer Days - LMS students are invited to pick-up schedules.

August 29, 6 P.M. - 7:30 P.M.

Freshman Orientation (students only)

August 29, 2:30-3:30 P.M.

Elementary Meet & Greet (parents and students)

September 5, First Day of School - Full Day for Students

(Y5 & Kindergarten have special schedule)

September 6, 6 - 7:30 P.M.

6th Grade Back to School Night - Parents Only

September 7, 6 - 7:30 P.M.

7/8th Grade Back to School Night - Parents Only

September 11, 6:30 - 8 P.M.

High School Back to School Night - primarily for parents, students welcome

YMCA SACC DAYCARE PROGRAM

Roosevelt Elementary has a breakfast program in the cafeteria every morning at 7:55 A.M. **We would like to invite all YMCA children to participate.** If your YMCA student doesn't attend Roosevelt for the school day, they can still eat breakfast. Their account at their school of attendance will be debited.

If your child receives **free or reduced lunch** at their school they can get free or reduced breakfast at Roosevelt. Reduced cost is \$.30 and all others cost \$1.60. Milk or juice is available for \$.60. Menus are posted online.

Breakfast is a very important meal for your child. Whether it is breakfast at home or at school, we hope you will give your child a great start every morning by encouraging breakfast. It will help them feel their best and do their best in school.

If you would like any more information about this program, please call me at 428-1400 x2965.

Sincerely,
Pam Greiffendorf
Lakeshore Food Service Director

Breakfast Program

All students are invited to participate in the breakfast program. All schools are serving breakfast. Students who ride the bus can go directly into the cafeteria for breakfast. Breakfast is served in the elementary at 7:55 A.M. and in the middle and high school at 7:15 A.M. A breakfast menu is posted on the website. Cereal is available every day. Breakfast cost is \$1.60 for elementary students, \$1.75 for middle school and \$1.80 for high school students. Students receiving free or reduced lunch will also receive free or reduced (\$.30) breakfast. Come and visit the cafeteria for breakfast. If you have any questions please call Pam Greiffendorf, Food Service Director, 428-1400, ext. 2965.

Lakeshore Schools Meal Program

Breakfast/lunch menus are posted on the Lakeshore School website: lakeshoreschools.k12.mi.us, then click on "Our District." Go to food service and the menu can be viewed.

Completed free and reduced lunch applications can be mailed to the address listed below or brought to your child's school office before school begins. Applications will be accepted after July 1, 2017. Applications can be found on the school's website and will also be sent home with every child when school starts. You will be notified by mail of your status. All students who were on the free or reduced meals program this past school year will remain with the same status for the first 30 days or until a new application is returned. After 30 days, students will be full pay until a new application is approved. Only one application per family is needed for all students. Other students cannot identify who is free or reduced.

2017/2018 meal prices are as follows:

Elementary	\$1.60	\$2.65
High School/Middle School	\$1.75/\$1.80	\$2.85
Staff/Adults	\$2.30	\$3.75
Reduced prices for all students	\$.30	\$.40

Online payments available: www.lakeshoreschools.k12.mi.us. There is a fee for this service. You will need your child's Student ID number. These numbers will be available at the *Meet & Greet* in August, or on the first day of school. It is free to set-up the account and you can view your child's account at all times. This account can't be created until the end of August when all students are entered and assigned to their teacher.

All balances are forwarded in June to the next school year. Please pre-pay for your child's meals. We have a negative balance policy that can be viewed on our website. Envelopes are available by all deposit boxes and in elementary offices. You can pay by cash or check (Lakeshore Public Schools). All deposits need to be made before 10:00 A.M. Elementary students turn in deposits to their teacher. Middle school students please use the deposit box located by the office. High school students can use deposit boxes located in the principal's office or the cafeteria.

2017 Football Booster Membership Form

Name: _____ Phone: _____
 Address: _____ email: _____
 City/State/Zip: _____ (We use Email to send out notifications and updates.)

Booster Membership Programs

- **(\$10 - \$50) Lancer Nation** - Lancer Football window decal (LL)
- **(\$50) Big Red** - Lancer Football window decal (LL) and name in program
- **(\$100) Lancer Pride** - reserved parking at home games, Lancer Football window decal (LL), name in program, and website listing.
- **(\$300) Touchdown** - two reserved parking spots at home games, Lancer Football window decal (LL), name in program, website listing, and sign on stadium fence*
- **(\$500) Victory Club** - two reserved parking spots at home games, Lancer Football window decal (LL), name in program, website listing, sign on stadium fence*, recognition announcement during games, team photo, invite to year-end Lakeshore football awards banquet

*Does not include cost of sign. The projected cost of a painted 4"x 4" sign board with two rows of 8"x 10" vinyl letters and your logo is approximately \$200. To ensure quality, all signs must be made by an acceptable professional company.

You may designate allocation of funds to the program(s) of your choice. No selection will default 100% into General Fund.

% _____ **Open (General) Donation** - Open donations can and will be applied to the many needs within the Lancer Football program.

% _____ **Safety/Conditioning Program** - 100% of the funds you dedicate to this program will go directly into the Player Safety Account.

% _____ **Fireworks Fund Donation***

*The fireworks for home games have been a privileged tradition since 1990. For well over 20 years high school football fans throughout the state of Michigan and northern Indiana recognize Lakeshore Lancer Football and its community due to this honored event. If you are interested in providing a donation for the fireworks fund, please indicate the dollar amount you would like to contribute. Sponsor's names will be announced during each home game and their names will be listed on the website and in the program.

Save the Date!

Hollywood, Roosevelt and Stewart's fall celebrations will be held on the evening of Friday, September 29th! Check with your school for exact times!

Roosevelt students enjoy the day!

Elementary Teachers Attend the Teacher's College Reading & Writing Project at Columbia University

3rd Grade Roosevelt teacher Mrs. Kelli Mitchell at the Teacher's College.

Every summer, *Columbia University* hosts educators from 40 different countries to participate in their *Reading & Writing Project* learning sessions. In the months of June and August, Lakeshore Public Schools was very proud to send a cohort of elementary teachers to these week-long, intensive workshops at the *Teacher's College* in New York City. The *Reading & Writing Project* receives hundreds of applications, so being chosen to attend was truly an honor for our staff members who did apply and were accepted.

Teachers who attended had the opportunity to learn from Lucy Calkins, founder of the *Reading & Writing Project* at Columbia. Teachers and administrators in attendance were able to make meaningful connections with a

small group of educators and interacted with them each day. The small groups maintained a skillful and targeted focus on learning and practicing reading and writing instructional strategies, reflecting, and planning for their upcoming instruction for kids. Additionally, each day included a choice of workshop sessions to attend, and every day ended with a keynote speaker!

The teachers and administrators who attended would like to thank the Lakeshore Excellence Foundation for helping to make this opportunity come to life. We are hopeful to send another group of teachers next summer.

The elementary buildings will all be focusing on *Reading Workshop* for the 2017-2018 school year. Our staff will have the opportunity to work with an experienced staff developer who will be coming to our district to give ongoing professional development and coaching as we dig into the reading workshop model. We are looking forward to the significant impact that the reading workshop model will provide for our Lakeshore learners!

FIRST® Lego League Robotics - A STEM Organization

We are excited to announce that Hollywood, Roosevelt, and Stewart Elementary Schools have combined efforts to create two competitive *FIRST*® LEGO League (FLL) Robotics Teams for fourth and fifth grade students.

FLL is a program designed to get kids excited about science and technology.

FIRST, which means “For Inspiration and Recognition of Science and Technology,” is a STEM organization with four levels of robotics programs beginning with FLL Jr. for second and third graders, FLL for fourth and fifth graders, FTC® for sixth through eighth graders, and FRC® for ninth through twelfth graders. Lakeshore currently has a competitive FTC team at the middle school

and a competitive FRC team at the high school.

The 2017 FLL Challenge is titled **HYDRO DYNAMICS** but the *FLL Challenge and Rules* will not be released until August 29, when

the FLL season officially begins. Since the FLL season starts a week before school, our teams have already been formed so that they can meet immediately once school is in session.

Lakeshore currently has a competitive FTC team at the middle school and a competitive FRC team at the high school.

The *FLL Challenge* will consist of three parts: (1) the *Robot Game*, (2) the *Project*, and (3) the *FLL Core Values*. For the *Robot Game*, students will design, build, program, and test autonomous robots to perform a series of missions. For the *Project*, students will research a real-world problem, create an innovative solution, and share their findings. At the heart of FLL are its eight *Core Values*, from which students learn about friendly competition and teamwork.

There are hundreds of FLL Tournaments held throughout the state, across the country, and around the world beginning in November. Both of the Lakeshore FLL Robotics Teams will participate at the third annual Lancer-Bot Mania FLL Tournament hosted at Lakeshore High School on Saturday, November 11.

At every FLL Tournament, teams will play the *Robot Game* with their robot to demonstrate how well their robot performs and also present their findings for the *Project*. In addition to those two components, teams will also be judged on their understanding of the *FLL Core Values* and their *Robot Design*.

Robotics reaches out to all grade levels.

An introduction to Robotics!

Learning about Robotics is fun.

The Lakeshore Excellence Foundation supports STEM programs at Lakeshore Public Schools. See insert.

LAKE SHORE LANCERS

Poetry Slam

Eighth graders took part in a *Poetry Slam* where they recited a poem that they had written to the class. The classmates voted for their top three choices within each hour, and teachers chose the top three poems. The top poets are Meg Hollerbach with first place for "Hit and Run," Kirsten Miazga with second place for "Stargazing," and Olivia Trevedi and Trinity Sharkey were tied for third place for "Metamorphosis" and "Laundry." Congratulations to these poets and thank you to *Forever Books* in St. Joseph who provided prizes to the winning poets.

Poetry Slam Winners

Poetry Slam Winners

Lakeshore Science Olympiad

Science Olympiad participants

members worked hard and performed well. Audrey Blough and Grant Rose won 4th place and received a medal for the *Write it/Do it* event. Thank you to the parents for all of their support. A special thank you to Mr. Paul Schoepf for his continued help and volunteering of his time.

The *Science Olympiad Team* attended the state competition at *Michigan State University*. They qualified by earning 2nd place at the regional competition. We were one of 59 middle school teams to compete at the state level. Members that attended State are: *Audrey Blough, Tyler Coates, Sanju Kona, Trey Norbey, Grant Rose, Anna Chellman, Marshall Delgado, Ishaan Gupta, Maddie Kyncl, Vayshnav Malhotra, Zach Ross, Alex Schoepf, Sarika Kona, and Grace Smith*. All team

The *Science Olympiad Team* attended the state competition at *Michigan State University*.

National Spelling Bee 2017

National Spelling Bee participant

Thank you LEF and Lakeshore Public Schools for the amazing experience to cheer on Sam in the National Spelling Bee in National Harbor, MD.

The week began with 291 spellers from across the globe. Sam took part in round one on Tuesday, May 30, which is the preliminary test (26 questions over spelling and vocabulary). He then participated in rounds two and three on Wednesday where he spelled "Svengali" and "loathsome" correctly. After the conclusion of rounds two and three, 188 spellers remained. In the evening, they called the remaining spellers onto the stage and announced the 40 finalists, which were based on the highest 40 preliminary scores. Unfortunately, Sam was eliminated -- along with 143 other spellers -- which means that Sam was tied for 41st place with the others.

It was exciting to watch the final round on Thursday and see 12 year-old Ananya become the National Spelling Bee Champion. It was a great opportunity to be a part of this event. Thank you for your support!

Middle School Pick-up and Drop-off Procedures

Bus Loop	Red Loop	White Loop
*Bus Traffic Only	*Car Drop-Off/Pick-Up	*Car Drop-Off/Pick-Up
*Staff Parking	*West Bound Exit Only	*West/East Bound Exit
*P.M. Event Parking	*Staff Parking	*Staff Parking
*Visitor Parking (7:40-2:35)	*P.M. Event Parking	*P.M. Event Parking
If entering the building with or without your child prior to the beginning of the school day, please park in the Red or White Parking Lot. If you are picking your child up in the afternoon, please pull all the way forward in the Red or White Loop. You may also park in the Red or White Lot and wait for your child to come to you.		

Fall Sports Information

All athletes must have a sports physical, medical emergency form, athletic code of conduct, and participation fee on file in the athletic office prior to the start of fall practices. You must have these forms on file to tryout or practice. The forms are available on the athletic website (lakeshorelancerathletics.com) under the forms tab, or you may pick up in the high school or middle school offices.

Jordan Florian (LHS Class of 2010) earned a B.S. in Natural Resource Ecology and Management - Wetland Science from Louisiana State University in 2014 and was recently awarded the degree of Juris Doctor, Cum Laude with high honors by the Valparaiso University School of Law.

While in law school, he worked as a policy analyst at *Environmental Consulting & Technology, Inc.* in Traverse City where he assisted in due diligence inquiries involving large-scale property consolidations and divestitures within the northern Michigan oil and gas sector as an intern at *Kuhn Rogers, PLC* (also in Traverse City) where he conducted extensive legal research and prepared memoranda and other documents on numerous environmental, family law, and trust and estate matters, and as a clerk on behalf of Indiana's longest-serving female state court judge, Porter Circuit Court Judge Mary Harper, where he assisted in the production of judicial documents and court opinions.

Student Connections Across the Globe

Amy Perkins and her World History students

Amy Perkins and her World History students partnered with students at Modellschule Obersberg in Bad Hersfeld, Germany in a joint, collaborative project researching the geopolitical importance of the Iron Curtain.

They used Skype, WhatsApp, and Google Docs to share their respective research findings. They also benefited from personal instruction provided by Volker Bausch at NATO's Point Alpha, Sgt. Mel Sanch of the 11th Armored Calvary Regiment, and Tom Lindenberg, former resident of West Berlin. Goethe Institut's D.C. office facilitated the transatlantic partnership and Hessische Landeszentrale für politische Bildung in Wiesbaden generously funded the project.

Together, the two schools produced a multimedia presentation in the form of an ArcGIS storymap. The interactive site includes student-produced videos, interactive maps, pictures provided by veterans and links to other relevant websites.

The students are proud of their work and grateful for the opportunity to collaborate far beyond the confines of their respective classrooms.

The students are proud of their work and grateful for the opportunity to collaborate far beyond the confines of their respective classrooms.

Take a moment to view the interactive site built through this collaborative effort: <https://goo.gl/piRYj2>

Saturday, November 11, all day,

LHS, free admission

FIRST LEGO League (FLL) 2017 Challenge: HYDRODYNAMICS™ Worldwide, teams of students in grades 4-8 from over 80 countries will be learning about water-related issues: how we find, transport, use, and dispose of it. What might become possible when we understand what happens to our water? Students will do research to learn more, and program LEGO MIND-STORMS® robots to conduct “missions” on a table top playing field. About 32 teams are expected to participate at the 3rd annual Lancer-Bot-Mania. Admission is free, and the event is family friendly! Watch for more information in the local media.

FIRST Tech Challenge (FTC®) 2017 Game: RELIC RETRIEVAL™ The 2nd annual Sunset Coast Splash Qualifying Event for FIRST Tech Challenge (FTC) Teams will be held in Coloma on Saturday, December 2. Students in grades 6-9, working with the assistance of adult coaches and mentors, will have only a few weeks to design, build, and program their robots before they gather to play a floor game in an alliance format. About 40 teams are expected to participate. Watch for details.

FIRST® For Inspiration and Recognition of Science & Technology

FIRST is a non-profit organization offering mentor-based programs for students in kindergarten through grade 12. FIRST helps create tomorrow's science and technology leaders by giving students hands-on experience in science, technology, engineering and math (STEM). Students also learn skills and values that will be useful in their future careers.

Team Lance-A-Bot's Summer and Fall Activities

In addition to meeting once a week to get ready for the fall pre-season, high school team members attended the St. Joseph *Mini-Maker Faire*, sponsored a day camp for students in grades 4-6, visited a local vacation bible school, conducted roadside clean-up along a two-mile stretch of Red Arrow Highway, volunteered at *Stevensville's Liberty Days*, and participated along with other local FIRST teams in the annual *High School Robot Demo Day* at the *Berrien County Youth Fair*. Fall plans are on the team's online calendar at www.lakeshorerobotics.com.

Students and adults who would like to get involved in the team as a member or mentor should email the team at lakeshoreroboticteam@gmail.com to find out about fall meeting dates. Students do not need prior experience – skills training is provided.

Team Lance-A-Bot visited Vacation Bible School at the Stevensville United Methodist Church. About 60 young children were very excited to see the robot zoom back and forth, twirl around, and drop a giant yellow gear on the floor in front of them. One student even drew a picture of the robot before the team left!

Team members were happy to put their building skills to good use in constructing a playhouse that will be given to a charity to auction off as a fundraiser.

John and Kim Schmidt of *Wausau Homes* donated the materials and provided the plans. Students began construction at the *MiniMaker Faire* and finished-up at the high school.

Students in grades 4-6 worked with high school team members as their mentors during the Lakeshore Robotics Camp. Students designed and built their own vehicles that had electric motors and lights. The steps campers followed were similar to the engineering process high school team members use during the build season as they create their competition robot. Since the

vehicles couldn't be programmed, students were given an opportunity to try simple game programming.

Lance-A-Bot Team members constructed a playhouse for charity.

Protect Yourself from Ransomware

Instructor: Trent Watford

Viruses and malware have long been a concern for computer users, but now a new threat that causes serious consequences is rapidly growing. The new threat is ransomware. This class will arm you with the information you need to understand what ransomware is, how it can get on your computer, and how you can protect yourself. You are welcome to bring your own computer.

Prerequisite: Basic computer skills

Wednesday, October 4, 6:30- 8:00 pm

RM #122 at Lakeshore High School \$18

Computer Back-up

Instructor: Trent Watford

If something happens to your computer or hard drive, would your valuable files and pictures be safe? Today there are many great options for backing up your files. They range from free software included with Windows, to powerful, but affordable, software for purchase. External hard drives make it possible to back-up your data as well as your whole system. Online back-up services are also available. In this hands-on class, we will help you develop a back-up plan that fits your needs and budget. You will also learn how to test your back-ups to make sure they are working. You are welcome to bring your own computer and external hard drive (if you have one).

Prerequisite: Basic computer skills

Wednesday, October 11, 6:30-8:30 pm

RM #122 at Lakeshore High School \$21

Using Excel to Manage Data

Instructor: Trent Watford

Microsoft Excel is a great tool to manage data. You can use it to work with information contact lists, collections, repair records, or inventories. Whether you are a home or business user, learning to use the Excel data features would be beneficial.

This two-hour workshop will cover how to set-up your database, use drop-down lists or data forms to enter data, use sorting or filtering to manipulate your data, and how to group and subtotal data. The lab computers have Excel 2010. You are welcome to bring your own laptop with your copy of Excel to use in class.

Prerequisite: Basic Excel skills.

Wednesday, October 18, 6:30-8:30 pm

RM #122 at Lakeshore High School \$21

Intro to Using Excel Pivot Tables

Instructor: Trent Watford

Keeping information in an Excel spreadsheet is much more useful if you can glean pertinent information from that data. You can use a powerful feature in Excel called pivot tables to take filtering, sorting, and subtotals to a whole new level. It allows you to aggregate your data and look at it in many different ways. This class will introduce you to the basics of creating and using pivot tables to more fully explore your data. The lab computers have Excel 2010.

You are welcome to bring your own laptop with your copy of Excel to use in class.

Prerequisite: Basic Excel skills

Wednesday, October 25, 6:30-8:30 pm

RM #122 at Lakeshore High School \$21

Microsoft Excel-Charts/Graphs

Instructor: Trent Watford

Excel's charts or graphs make it easy to visually communicate data in a wide variety of formats. You will learn how to translate your numerical information into a chart (graph) and how to change the color, style, and many other characteristics of your chart. We encourage you to bring your own spreadsheets to practice on during class.

The lab computers have Excel 2010. You are welcome to bring your own laptop with your copy of Excel to use in class.

Prerequisite: Basic Excel knowledge

Wednesday, November 1, 6:30-8:30 pm

RM #122 at Lakeshore High School \$21

Digital Photo Editing

Instructor: Trent Watford

Do you ever wish that with a few clicks of your mouse you could tweak your digital photos to take them from "good" to "great"? Learn how to adjust color and brightness, crop, remove "red eye," resize, add shapes or text, work with layers, and much more! Come to this one-night class to learn how to edit your digital photos or create your own graphic image using a free web app. Use your creations for posting on social media, for websites or ad copy, or other uses. You are welcome to bring your own computer. Note: This class is highly recommended for those interested in taking the website class.

Prerequisite: Basic computer and internet knowledge

Wednesday, November 8, 6:30-8:30 pm

RM #122 at Lakeshore High School \$21

Create Your Own Business Website

Instructor: Trent Watford

Would you like to have a website for personal or business use? You can create a website using a free online website builder called Wix. It offers professional-looking easy-to-use templates, a huge image collection, and more. In two hands-on sessions, you will plan and create your site and apply basic SEO. Go to Wix.com to look at their gallery of templates or their affordable pricing for hosting. An optional third session for working on your site and getting questions answered is available. You are welcome to bring your own computer. Note: The *Digital Photo Editing* class is highly recommended for those enrolling in the website class.

Session #1: Plan website, create account, choose template, create homepage

Session #2: Work on remaining pages, insert edited images, add SEO

Session #3: Optional session-continue to work on website

Prerequisite: Basic computer & internet

Lakeshore Community Enrichment | lakeshoreschools.k12.mi.us | PH 269 428 1400

knowledge and how to edit images

*Wednesday's, November 15 & 29, 6-8:30 pm,
Rm #122 at Lakeshore High School, \$42
Optional session: Wednesday, December 6,
6:30-8:30 pm in RM 122 at Lakeshore High
School, \$21*

Modern Square Dance Lessons

Instructor: Ken Burke

Ken Burke, the Certified Caller/Instructor, will lead you through a series of basic dance steps. The 14 session class begins on Tuesday, September 19 from 7-8:30 pm at Hollywood Elementary gym, 143 E. John Beers Rd. Stevensville. The cost is \$80. Take advantage of the September 19 free introductory lesson. No need to register; just show-up for the free session.

Questions? Contact Ken Burke at:
(269) 325-7204 or burkenone@yahoo.com

Estate Planning Basics

Instructor: Bill Westerbeke

What happens to your assets if you become incapacitated or pass away? What is probate? What is a Living Trust and do I need one? Will a young relative, special needs child, or in-law have access to my estate? Attend this presentation to learn about the important components of planning your estate.

*Tuesday, September 26, 6-7pm, RM #125
Lakeshore High School \$6.00*

Elder Law Primer

Instructor: Bill Westerbeke

What if you (or a loved one) suddenly needs to be cared for in a Nursing Home? How will you pay for nursing home costs which can approach \$8,000 per month? Why can't you just give everything to the kids? Are you prepared to deal with physical and/or mental challenges associated with aging? Attend this presentation to learn more about Elder Law and how Elder Law Attorneys address the unique needs of seniors during the aging process.

*Tuesday, October 3, 6-7 pm, RM #125
Lakeshore High School \$6.00*

Planning for Retirement

Craig Anderson, Family Focused Financial

This course is very beneficial for retirees. The first evening will be spent discussing the legal, tax, and insurance aspects of estate planning, while the second evening will focus on financial strategies and retirement analysis. We look forward to sharing helpful information that will assist you in your quest to fully understand the intricacies of planning for your retirement.

FIRST EVENING

November 6 from 6-8 pm
Lakeshore High School Rm #120 \$30.00

SECOND EVENING

November 13 from 6-8 pm
Lakeshore High School Rm #120 \$30.00

Some of the topics covered:

- Understanding the purpose of legal documents--wills, POA's, trusts
- A simple explanation of income taxes
- Minimizing taxes during retirement
- Disability coverage
- Healthcare--how Medicare and Medicaid work together
- Long-term Care Insurance
- Social Security planning
- Strategies to optimize benefits
- Pension maximization--tips to increase control & benefits from pensions
- Supplemental income options
- Investment options for your family & season of life
- Estimating if or when you will ever run out of money
- Strategies to improve your financial trajectory
- Putting it all together in a personal LIFE Plan

**** INDOOR WALKING – FREE**

The high school is available weekday evenings for walking from 5-8 P.M. M-F (except when students are not in session) Please use the main front entrance Door #1 by the flagpole.

Registration Information

Register by mail, in person at the Central Admin Building located behind LHS tennis courts off Cleveland Avenue. Registration ends 1 week prior to start of class unless stated otherwise. Please call to see if late registration is permitted. We reserve the right to cancel a class due to lack of enrollment. If YOU cancel, there is a \$3 cancellation fee.

McKinney-Vento Homeless Assistance Act

At times, students' families may experience a housing emergency or crisis. Services are available for students whose families lack fixed, regular and adequate overnight accommodations. A housing crisis is defined as:

- Living in emergency, transitional or domestic violence shelter;
- Living in cars, parks, public spaces, bus or train stations or similar settings;
- Living with a friend, relative or someone else because you have lost your home or can not afford housing;
- Living in a motel, hotel, trailer park or camp ground;
- Awaiting foster care placement.

For additional information please contact:

ssteffes@lpslancer.net

Non-Discrimination Policy

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and transgender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, "Protected Classes") in its programs and activities, including employment opportunities.

The following person has been designated to handle inquiries regarding the nondiscrimination policies:

Julie Powell, Assistant
Superintendent for Instruction
and Human Resources
Lakeshore Public Schools
5771 Cleveland Avenue,
Stevensville, MI 49127
269.428.1400 ext. 2911

Military Recruiters & Institutions of Higher Education

Section 9528 of the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001, and Michigan Revised School Code requires that we provide the names, addresses, and telephone numbers of secondary school students upon the request of military recruiters and institutes of higher education.

Students or parents can refuse to have this directory information released by completing this form and returning to the Student Services office at Lakeshore High School. High school students will also receive this form in their Advisory on the first day of school. If you have any questions, please contact Stacey Steffes, Director of Student Services at 269 428-1407.

Student's Name: _____

Birthdate: _____ Grade: _____

Please do not release information to:

- ☐ U.S. Military Recruiters
- ☐ Institutions of Higher Education

Student or Parent Signature: _____

Date: _____

RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is not funded in whole or in part by a program of the U.S. Department of Education (ED) –

1. Political affiliations or beliefs or of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a

student out of –

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use –

1. Protected information surveys of students;
2. Instruments used to collect personal information from student for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

These rights transfer to from the parents to a student who is 18 years old or an emancipated minor under State law.

PPRA Continued

Lakeshore Public Schools will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Lakeshore Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Lakeshore Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provide an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C. 20202-8520

Privacy Policy

Notice of Right to Access
and Privacy of Records

Parents and guardians of each student under 19 years of age and each student who is 19 years of age or older have certain rights respecting the records kept on the student by the Lakeshore Public Schools.

These rights include:

- 1.) The right to examine the student's record upon completion of the proper forms as provided by the school administrator.
- 2.) The right to have the administration

hear evidence that any part of the record is inaccurate, misleading or violates a student's privacy or other rights, to have the record changed if the administration agrees with the applicant's evidence and to insert an explanation in the record if the administration disagrees.

3.) The right to have records, which personally refer to a student kept confidential except either by consent of the parent, student, or when being used by school personnel for school business. Certain official agencies may also request records. Within 14 days after enrolling a transfer student, the school shall request in writing directly from the student's previous school a copy of his or her school record. Any school that compiles records for each student in the school and that is requested to forward a copy of a transferring student's record to the new school shall comply within 30 days after receipt of the request unless the record has been tagged pursuant to section 1134 (section 1134 deals with records of missing students).

The following information is subject to release (upon request for information) in the form of student directories, programs, and news releases: student's name, address, photo, telephone number, date of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous school attended.

If a parent or student does not wish this information to be available for publication, notice must be given to the building principal by September 1 of each school year.

4.) The right to obtain a copy of the Board of Education Policy on privacy of Student Records from the office of the Superintendent of Schools.

5.) The right to protest if the school district is not complying with the Family Rights and Privacy Act.

Such protests should be sent to:
Family Policy compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington D.C. 20202-8520

(for a complete listing see Policy 8330 on our website)

Advisory To All Parents

Lakeshore Public Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem.

You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at entrances to your child's school. The entrances that will be posted are the primary entrances to the building from the parking lot(s). The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first class United States mail postmarked at least three days before the application.

If you would like to be notified by mail please contact the Business Office at the (269) 428-1400. Please give the Business Office secretary your name, mailing address, and what school your child attends.

In an emergency (for example, bees' nest), pesticides may be applied without prior notice, but if you desire you will be provided notice following any such application.

You may review our IPM program or pesticide application records for your child's school by calling or emailing Nick White, the District's Director of Operation and Maintenance, at phone number (269) 428-1400 or email: nwhite@lpslancer.net
